Spring Lakes Golf Club

Men's Extreme Golf Camp

Gentlemen, your perfect day awaits; we will work exclusively on your golf game all day long under the watchful eye of your PGA Professional. This program is designed to deliver you a premium one on one golf instructional experience totally focused on you for the whole day. The day's program will touch on every aspect of your game, from pre game preparation, playing to your strengths, improving on your weaknesses and helping you to understand how to maximize your body, mind and game.

We will assess, discuss and review your basic swing fundamentals, your equipment, your goals and aspirations and why you play golf. You will be provided with valuable take-home tools which will help you to self diagnose and to enact self correcting measures when you play all of which are easily understood and implementable.
